Hays Bass Anglers Association is excited to be at Wilson Reservoir for this two-man team bass fishing tournament. The event will pay out 80% with one place paid for every seven boats entered. Five live fish will be weighed per team. Wilson Lake has a 15" minimum length limit on black bass. The entry fee is \$150 per boat. HBAA is asking anglers to use non-penetrating cull clips. Boats must be 14-feet or longer and meet BASS requirements. Boats must be equipped with a working livewell and shall contain Catch-N-Release or a similar electrolyte solution. Proof of liability insurance coverage in the amount of \$300,000 or more is required at check-in time. Starting positions will be determined by random drawing just prior to the event. **Optional: Big bass side pot with 100% payback is \$10/boat, cash only. Optional: High stakes side pot with 100% payout is \$100/team with 60/40 payout for two places, cash only.** If you have additional questions, please contact Tournament Director Klint VonFeldt at (785) 650-1733.
